

Why buy 6 boards when you only need 1?

PROFBOARD

Best Board in Town

(Profboard UK is a trading division of ADO-METAL DRAINAGE UK LIMITED)

Top sheets are a Top idea

Clicksystem is such a simple solution to a costly and wasteful problem. After a couple of months use most cutting boards have cut and chop marks which provide a great home for bacteria but we are reluctant to throw away a board that is so thick and cost so much. **So why not renew the top part, save a fortune and enjoy a safer hygienic working environment.**

Slip Resistant Feet

The Prof board also solves another frustrating problem – because old style cutting boards slip around on stainless steel preparation tables we've added specially engineered slip resistant feet so you don't have to use a tea towel to keep the board and it's contents from sliding off the table.

Sizes available:

Board & Sheets (incl. 6 Sheets)
28 x 28cm 30 x 40cm
32.5 x 53cm (Gastronorm)
40 x 60cm

- Plus a Chopping cover with Individual Chopping covers (Blue, Red or Green) for all the above sizes
- Plus a Sheet Holder to hold 6 sheets for hygienic storage.
- Cutting sheets are available in red, green, yellow, black, white, blue
